

Letter from the President

Greetings, alumni, friends and fans!

We have another exciting year of activities planned, so join us and show your pride in the Valley of the Sun! Our beloved Joepa is returning for yet another season as head coach, and what a football season it will be. The Nittany Lions have some exciting matchups this year, including three tough road games at Iowa, Ohio State, and defending national champion Alabama. Nebraska has joined the Big Ten and should appear on the schedule in 2011—what a new rivalry that should be! We'll be kicking our season off again Phoenix-style with our annual Chapter **Pool Party**—see inside for details!

As always, join your fellow Penn Staters and head down to BEAVER STADIUM WEST, Baseline Sports Bar in Tempe, for all this year's football action! You can still look forward to free buffets at the "key" games for paid members (see inside for details). AJ at Baseline has a few tricks up her sleeve for contests and giveaways this year, but you'll have to be at the games to know what they are! A Penn Stately THANK YOU to Delia Alter for managing our store the past few years—she is stepping down this year, but the Chapter store will still carry all the most popular items. And back by popular demand, our halftime raffle will include great prizes and none other than our own PENN STATE CREAMERY ICE CREAM!

Because of you, we have been recognized as a **Chapter of Distinction** again in 2009. We can't do this without active and loyal alumni like you, so THANK YOU for all your involvement, yearly dues, and support! To that end, we're kicking off new and exciting initiatives to make our Chapter even bigger, more active, and more involved. Introduce yourselves to fellow members, and bring that Penn State friend you know to one of our events and show them just how great our chapter is! There may even be a few contests this year to help grow our membership and plan new and creative activities that YOU want to see happen, so stay tuned!

Our new chapter **website** is still THE place to go for all your Chapter needs. Renew your membership, **set up an online profile**, sign up for events, and check out the private members only area. Check out the key features in the next column! To keep you up to date on announcements and reminders, we're now on **Facebook** and **Twitter**, so be sure to follow us for all your chapter news and updates!

Community service remains a vital component of our chapter activities, and we have several new ideas for building on our already active involvement in the community. Our season-long food drive for St. Vincent de Paul was incredibly successful and we'll be having it again this year. Amy Miller has done a great job coordinating our Adopt-A-Highway program and Jen Moser has kept us going with Habitat for Humanity. Ron Short has taken the lead on reaching out to current and incoming Penn State students from Arizona and getting applications for our Chapter scholarships. Let's keep up our great work and get even more involved in the community this year!

Again, THANK YOU to all of our generous and dedicated members for making all these events successful with your participation and yearly dues. We cannot do this without you!

As always, we look forward to your camaraderie and your support again this year. Get involved and join one of the best and most active Chapters in the nation. Here's to another great year for our Phoenix Chapter!

What does the PSAA-Phoenix Chapter Offer to Paid Members?

In addition to supporting your local Chapter Alumni Association, we offer a place to gather with friends to watch football games, participate in social, networking and competitive planned activities, and give back to our community.

If you have any ideas/ activities in which you would like to see PSAA host on a local level, please email Jon at phxchapter@gmail.com. We have planned some activities in the past, both within our own organization and alongside other Big Ten Universities, and hope to plan more events this year. Be it family friendly or business networking, send us your ideas. This is YOUR organization and we are here to see it succeed and grow.

As a non-profit, we do have a challenge paying upfront for events so keep that in mind. When we have planned trips to the Diamondback games or coordinated a local volleyball team, payment needs to be made upfront by those participating.

We will do everything possible to support your idea so please send your thoughts to phxchapter@gmail.com. The most creative idea will result in free membership!

SEASON LONG Food Drive

PSAA-Phoenix Chapter Members will be collecting non-perishable food items to donate to the St. Vincent de Paul Charity in Phoenix (<http://www.stvincentdepaul.net>). You will be eligible again for a special raffle at the end of the season!!

We will provide a box for food collection at every game. St. Vincent de Paul is especially in need of high protein items such as peanut butter, ready-to-eat canned meats, and tuna.
